

Returning to Grand Rapids June 12-18, the 2017 Meijer LPGA Classic for *Simply Give* will once again take place at Blythefield Country Club. Bringing another week of community events and competition play by the best women golfers in the world, this year's event will feature new and expanded dining options, entertainment and more!

In the past two years, the Blythefield membership has shown incredible support of the Meijer LPGA Volunteer program. Starting today, we are pleased to offer members a special opportunity to sign up as volunteers in advance of the general public. A number of volunteer committees are available, including: Marshals, Standard Bearers, and Walking Scorers, among others. All volunteers have the opportunity to select their top three committees, and will be assigned to a committee based on availability and tournament needs. We will do our very best to accommodate your first committee preference.
